Dimension Shift

DIMENSIS

[dımɛnsıs]

Using this code sends the Earth into a higher dimension, in which our lives will continue at a higher standard with a more advanced perspective. At first, the dimension shift happens on an individual level. The more people enter this code, the sooner it will happen on a world-wide level too. By paying maximal attention to our will when we use this symbol, we will receive the help and support in our learning process which will first bring about the emergence of a higher consciousness on an individual level and then on the level of the entire planet. This will cause the long-awaited and deeply desired revolution, the promised positive change in the life of our planet.
