

Deactivation of Negative Energies

IMANAS

[I m ^ n ^ s]

This code protects us from negative energies that would damage our bodies, souls, and minds and put our health at risk. These energies deliberately try to destroy our quality of life, foil our plans, pulverise our dreams, and eventually destroy our entire beings. Such negative energies are often hidden and unseen. It is dangerous for anybody to encounter them. Negative powers often take the form of black magic, curses, hexes, and negative entities. They make people's lives very hard, almost impossible. These are destructive powers that want to ultimately destroy people and that's why it's very important to protect yourself from them.
