

# Jesus' and His Government's Arrival onto the Earth

## IES ENTEROS

[IES ENTEROS]

By using this code you are helping to make the great heavenly promise given to mankind long ago, happen: **the second arrival of Jesus Christ**. And then, our long – awaited happiness, our joyful present and future will be implemented immediately.

Our world today is full of danger, deceptions, deceits, and all kinds of threats, including life-threatening ones. We might have realized by now that we cannot always trust neither our governments and decision makers, nor our medical and social care systems, nor our neighbours and relatives, not even our family members. It is a very sad reality for many of us. One of the reasons for it is, that many bad personality traits of people are enhanced by the unhealthy trends of our societies like arrogance, greed, mendacity, violent dispositions, religious and philosophical hypocrisy, a lack of family affection and last but

not least a lack of self-control. These unhealthy behaviours cause tremendous stress and create many stress-related diseases for each and every one of us. Even though we by ourselves cannot change these conditions and cannot eliminate all the awfully distressing conditions, we can get help, we only need to ask for it.

The Source of all Creation has already appointed someone to come to our aid. That one is **Jesus**. On a global scale, he will soon do even more wonderful deeds than he did when he was a man on Earth.

On his arrival:

- He will heal every disease and eliminate their causes.
- He will provide housing, food and everything we need in abundance.
- Jesus' Government will introduce global peace and security.
- His Government will abolish injustice and all suffering.
- Jesus will abolish DEATH and even the concept of it!

For it was said:

“And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.” Revelation 21:4 King James Version (KJV)
