

PROTECTION AT ALL LEVELS (EVEN AGAINST DIMENSIONAL ATTACKS)

Step 1.

Say the following to yourself or out loud:

"I now call upon You, Beloved Archangel Michael and Your Heavenly Army of Protection, the Internationale, and Beloved Almighty Mother of God!"

In the name of Beloved Jesus, I ask You to give me complete and eternal protection at all levels and in all dimensions. I also ask for the perfect protection of my family members. Thank you."

Step 2.

In your imagination, put four silvery-blue diamonds in the four corners of the plot of your house. Now with the power of your mind raise shiny, silver-blue, glass-like walls along the diamonds so that it completely covers the plot from all sides, even the top and the bottom.

See that the sparkling, silver-blue light of the diamonds completely permeates and fills the entire plot, your house and everything in it, including yourself. The silvery-blue rays of light continue to radiate from the 'glasshouse' and fill up the environment around.

Step 3.

Now, place the whole shiny bluish 'glasshouse', together with your plot, your house, your family and yourself in a big, bright, silvery-white light, sparkling pyramid, so that you can comfortably fit in there with everything.

Step 4.

Then put the whole sparkling, silvery-white pyramid into a spacious, shiny orb of silvery-blue light. The sparkling silvery-blue light of the orb permeates its entire content, and radiates its light outside the orb as well, illuminating the whole environment.

Step 5.

Repeat the following mantra 3 times:

'CAELES DEFENDOS'

[ts e l e s d e f e n d o s] (Divine-Heavenly Protection)

Step 6.

Say the following:

“With deep love and gratitude, I now thank You, Beloved Archangel Michael, Internacionale and Beloved Almighty Mother of God for the divine help and intervention that provide perfect protection and complete safety for me and for my family members.

Beloved Almighty Mother of God, I ask you to cover us always with the mantle of Your infinite love and seal with your power the eternal and fulfilled protection of our bodies, souls and spirits. Thank you.”
