

PRAYER FOR PROTECTION

I, as a Son/Daughter of God, the Father Almighty
Protect myself with Jesus from any attack
On my senses, mind, soul and spirit
That comes from the evil one.
Through the protection of Saint Michael the Archangel
I remove from myself any unclean spirit
That seeks to penetrate my entire being to make it dark
And weaken my feelings, soul and spirit,
Leaving an open door to the demons of the air
That seek to penetrate and sow in me
Feelings of hatred, selfishness, pride, anger, lust and laziness
To make me commit sins which offend my God.

I hide behind the Son
And with the Power of the Holy Trinity,
I ask to be sealed and protected from all evil.
Amen.
