**'NEVER AGAIN' IS NOW !!!**

**UNLESS WE ALL RESIST.**

**Vera Sharav's Speech at Nuremberg 75,  
August 20th 2022**

**ONLY THOSE WHO WANT TO  
AND CAN STILL THINK SHOULD READ THIS!**

# **KNOWLEDGE IN GENERAL, HISTORY AND THINKING ARE THE MAIN ENEMIES OF CURRENT GOVERNMENTS !!!**

Human Rights activist Vera Sharav's Nuremberg speech carries a relevant and burningly important message for us in the current times, the speech quoted here below contains horrible truths, which, older generations can easily prove!

<https://ahrp.org/nuremberg75-speeches/>

Before you read - **REMEMBER!:**

1. The Nazis declared disabled people - “unfit for life.”

2. The 1,000 German infants and young children who were **the world’s first medical murder victims** *were actually murdered in hospitals*. More than **17.000** youngsters died in those ‘experiments’.

3. *In 2020, global governments declared an emergency and issued deadly medical dictates:*

- Hospitals were ordered not to treat the elderly in nursing homes. The result was mass medical murder - which Sweden called “active euthanasia.”

- UK hospitals used lethal doses of the drug Midazolam to medically murder the elderly, - a drug they continue to stockpile.

- U.S. hospital guidelines still call for the elderly to receive minimal treatment.

- Doctors in Western Europe and the U.S. are forbidden to prescribe existing, licensed, safe and effective, life-saving treatments for COVID patients.

- Today, humanity is threatened by the global heirs of the Nazis. **The real virus that continues to infect these predators is Eugenics.** Its meaning: *‘The study of how to arrange reproduction within a human population to increase the occurrence of heritable characteristics regarded as desirable. Developed largely by Sir Francis Galton as a method of improving the human race, eugenics was increasingly discredited as unscientific and racially biased during the 20th century, especially after the adoption of its doctrines by the Nazis in order to justify their treatment of Jews, disabled people, and other minority groups.’*

Bill Gates, a lifelong eugenicist and major stakeholder in the vaccine industry, declared the COVID vaccine the “final solution.” The claimed rationale for vaccine mandates was to protect people from getting and transmitting infection. However, the incontrovertible evidence shows that *COVID injections do not prevent infection or its transmission and they do not provide immunity.*

**Even the Centres for Disease Control and Prevention’s director, Rochelle Wallensky, has acknowledged that COVID jabs cannot prevent transmission.**

Albert Bourla, **Pfizer CEO**, conceded that **“two doses of the vaccine offers very limited protection - if any.”**

Government data from the UK, Israel, the U.S. and the EMA [European Medicines Agency] confirm that *massive deaths and injuries have been reported*. Close to **38,000 Europeans have died following the shots. And more than 3,390,000 have suffered injuries**. Healthy, athletic, young adults have died. Children are suffering from myocarditis and blood clots. Neurodegenerative diseases are also emerging in the vaccinated.

Dietrich Bonhoeffer - an exceptional German Protestant minister during the Nazi regime stated: **“Silence in the face of evil is itself evil. Not to speak is to speak. Not to act is to act.”**

**Vera Sharav's Speech at Nuremberg 75, August 20th 2022:**

(Vera Sharav is a public advocate for human rights and the founder and president of the Alliance for Human Research Protection (AHRP), an information resource and public interest watchdog organization whose goal is to unlock the walls of secrecy in biomedical research and bring accountability to that endeavour. (The Vaccine Program: Betrayal))

*The moral significance of the Nuremberg Code — the most authoritative, internationally recognized document in the history of medical ethics — cannot be overstated.*

“I came to Nuremberg to provide historical context to the current global threat confronting our civilization. These past two-and-a-half years have been especially stressful — as painful memories were rekindled. In 1941, I was three-and-a-half years old when my family was forced from our home in Romania and deported to Ukraine.

We were herded into a concentration camp — essentially left to starve. Death was ever-present. My father died of typhus when I was 5. In 1944, as the Final Solution was being aggressively implemented, Romania retreated from its alliance with Nazi Germany. The government permitted several hundred Jewish orphans under the age of 12 to return to Romania. I was not an orphan — my mother lied to save my life.

I boarded a cattle car train — the same train that continued to transport Jews to the death camps — even as Germany was losing the war. Four years elapsed before I was reunited with my mother.

# The Holocaust serves as the archetypal symbol of unmitigated evil:

- Moral norms and human values were systematically obliterated.
- The Nazi system destroyed the social conscience.
- Millions of people were worked to death as slave labourers.
- Others were abused as experimental human guinea pigs.

**The Holocaust did not begin in the gas chambers of Auschwitz and Treblinka.** *The Holocaust was preceded by **nine years** of incremental restrictions on personal freedom, and the suspension of legal rights and civil rights.*

The stage was set by fear-mongering and hate-mongering propaganda. A series of humiliating discriminatory government edicts demonized Jews as “spreaders of disease.” **We were compared to lice.**

The real viral disease that infected Nazi Germany is **Eugenics**. *It is the elitist ideology at the root of all genocides.* Its meaning: *a socio-philosophical trend that advocates interventions to improve the inherited physical and mental qualities of a person.*

**E**ugenics is cloaked in a **mantle of pseudo-science**. *It was embraced by the academic and medical establishment as well as the judiciary — in Germany and the United States. Eugenicists justify social and economic inequality. They legitimize discrimination, apartheid, sterilization, euthanasia, and genocide. The Nazis called it “ethnic cleansing” — for the protection of the gene pool.*

**Medicine was perverted from its healing mission and was weaponized.**

- First, it was to control reproduction through forced sterilization. Then it was to eliminate those deemed to be “sub-human” — Untermenschen.
- **The first victims of medical murder were 1,000 German disabled infants and toddlers.** This murderous operation was expanded to an estimated **10,000 children up to age 17.**
- The next victims were **the mentally ill.**
- They were followed by **the elderly** in nursing homes.
- All of these human beings were condemned as **“worthless eaters”**. Under Operation T-4, designated hospitals became killing stations where various extermination methods were tested — including Zyklon B, the gas that was used in the death camps.
- The objective of the Nazi Final Solution was to annihilate the entire 11-million Jewish population of Europe as quickly and efficiently as possible. The Nazis enacted discriminatory laws. They utilized modern technology, low-cost industrial methods, an efficient transportation system and a highly trained bureaucracy that coordinated the industrial genocidal process.

**The objective was high speed, maximum efficiency at the lowest cost.**

# THE HUMAN CASUALTIES OF

THIS UNPRECEDENTED GENOCIDE WERE

6 MILLION JEWS

AND

9 MILLION OTHER PEOPLE

WHOM THE NAZIS DEHUMANIZED AS UNTERMENSCHEN.

## **The purpose of Holocaust memorials**

*It is essential to warn and inform future generations about how an enlightened, civilized society can be transformed into a genocidal universe ruled by absolute moral depravity.*

**IF WE ARE TO AVERT ANOTHER HOLOCAUST, WE MUST IDENTIFY OMINOUS CURRENT PARALLELS BEFORE THEY POISON THE FABRIC OF SOCIETY!**

### **Forgotten history:**

Since the Nazi era, the study of history and most of the humanities — including philosophy, religion and ethics — have been overshadowed **by an emphasis on utilitarian science and technology.** **As a result, few people recognize foreboding similarities between current policies and those under the Nazi regime:**

1. *By declaring a state of emergency — in 1933 and in 2020, constitutionally protected personal freedom, legal rights and civil rights were swept aside.*

*Repressive, discriminatory decrees followed.*

2. In 1933, the primary target for discrimination was the Jews. Today, the target is people who refuse to be injected with experimental, genetically engineered vaccines.

3. Then and now, government dictates were crafted to eliminate segments of the population.

*In 2020, government dictates forbade hospitals from treating the elderly in nursing homes. The result was mass murder.*

**Government decrees continue to forbid doctors to prescribe life-saving, FDA-approved medicines. Government-dictated protocols continue to kill.**

4. The media is silent — as it was then. The media broadcasts a single, government-dictated narrative — just as it had under the Nazis.

5. Strict censorship silences opposing views. In Nazi Germany, few individuals objected. Those who did were imprisoned in concentration camps.

***Today, doctors and scientists who challenge the approved narrative are maligned, their reputations trashed.*** They risk losing their license to practice as well as having their homes and workplace raided by SWAT teams.

# THE MORAL SIGNIFICANCE OF THE NUREMBERG CODE CANNOT BE OVERSTATED!

The Nuremberg Code is the most authoritative, internationally recognized document in the history of medical ethics. This landmark document was formulated in response to the evidence of medical atrocities committed by Nazi physicians and scientists.

**T**he Code sets forth moral boundaries for research involving human beings. The Nuremberg Code rejects the ideology of eugenics and unequivocally asserts the primacy and dignity of the individual human being — as opposed to “the greater good of society.”

American jurists who formulated the Nuremberg Code incorporated the official 1931 German “Guidelines for Human Experimentation”.

The Nuremberg Code defined foundational, universal moral and legal standards, affirming fundamental human rights. These human rights apply to every human being:

1. The Code sets limits on the parameters of permissible medical experiments.

Equally important, the Nuremberg Code holds doctors and research investigators personally responsible to ensure the human subjects’ safety and to ensure that the person freely gave his voluntary, fully informed consent!!!

2. The standards of the Nuremberg Code are incorporated into the International Criminal Code. They are legally applicable today in peacetime and during war. The Nuremberg Code has served as a blueprint for subsequent national and international codes of human rights — to ensure that the rights and dignity of human beings are upheld, and to ensure that medical doctors never again engage in morally abhorrent experiments.

**The objective of the Nuremberg Code is to ensure that:**

- The rights and dignity of people are respected
- The human subjects’ safety and to ensure that the person participating in an experiment freely gave his voluntary, fully informed consent!

- that medicine, never again deviates from the precautionary ethical principle, **“First, do no harm!”**

Like the 10 Commandments, not a word of the Code may ever be changed.

3. The foremost ethical requirement — which is spelled out in great detail:

- **“The voluntary consent of the human subject is absolutely essential.”**

This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force... constraint or coercion.

The person should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision. This... requires that before the acceptance... of an affirmative decision by the experimental subject... [he] should be [informed of] the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person which may possibly come from his participation in the experiment.

- The duty and responsibility for ascertaining the quality of the consent rests upon each individual who initiates, directs or engages in the experiment. It is a personal duty and responsibility which may not be delegated to another with impunity.”

The genocidal culture that permeated the Nazi regime did not end in 1945. It metastasized in the United States. At the end of the war, U.S. government agents helped 1,600 high-ranking Nazi scientists, doctors and engineers to evade justice at Nuremberg.

These Nazi technocrats facilitated the murderous Nazi operations. They were Hitler's partners in crimes against humanity. They were secretly smuggled into the U.S. under Operation Paperclip. This was in violation of explicit orders by President Harry Truman. These Nazi criminals were placed in high-level positions at major American scientific and medical institutions where they continued their work.

What's more, these Nazi technocrats trained a generation of American scientists, doctors and engineers. This is how Nazi methods and the immoral disregard for human values were entrenched in America.

In 1961, in his farewell address to the nation, President Dwight Eisenhower warned against the increasing dominance of “the military-industrial complex” whose “total influence — economic, political, even spiritual — is felt [everywhere].” Eisenhower warned:

“We must be alert to the danger that public policy could itself become the captive of a scientific-technological elite.”

In 1979, a report to the president, by the U.S. Commission on the Holocaust, chaired by Auschwitz survivor Elie Wiesel warned:

“...the inclination to duplicate the Nazi option and once again to exterminate millions of people remains a hideous threat.”

Those who declare that Holocaust analogies are “off limits” are betraying the victims of the Holocaust by denying the relevance of the Holocaust.

The Nuremberg Code has served as the foundation for ethical clinical research since its publication 75 years ago. The COVID pandemic is being exploited as an opportunity to overturn the moral and legal parameters laid down by the Nuremberg Code.

## THE CODE

---

The Nuremberg Code is our defence against abusive experimentation. Humanity is currently under siege by the global heirs of the Nazis. A group of ruthless, interconnected, global billionaires have gained control over national and international policy-setting institutions.

---

# THEY HAVE EMBARKED ON IMPLEMENTING A DIABOLICAL AGENDA:

- Overthrow democracy and Western civilization.
- Depopulate the global population.
- Eliminate nation-states and establish One World Government.
- Eliminate cash and establish one digital currency.
- Inject digital IDs and artificial intelligence capabilities into every human being.

If these objectives become a reality,  
we will be digitally surveilled  
24 hours a day, 7 days a week.

**In May, at the World Economic Forum in Davos,  
Klaus Schwab, the architect of the dystopian  
Great Reset declared:**

***“Let’s be clear, the future is not just happening; the future is built by us, a powerful community here in this room. We have the means to impose the state of the world.”***

The ultimate goal of these megalomaniacs is to gain total control of the world’s natural resources and financial resources and to replace humans with transhuman robots.

*Transhumanism is a biotech-enhanced caste system – the new eugenics.*

*Klaus Schwab’s lead advisor is Yuval Noah Harari, an Oxford University trained, Israeli. Harari is a proponent of the new eugenics and transhumanism. Harari **refers to humans as “hackable animals.”** He declared:*

**“We have the technology  
to hack humans on a massive scale...”**

Harari despises the very concept of God. Transhumanists despise human values and deny the existence of a human soul. Harari declares that there are **too many “useless people”**. The **Nazi term was “worthless eaters”**.

This is the “New Eugenics”. It is embraced by the most powerful global billionaire technocrats who gather at Davos: Big Tech, Big Pharma, the financial oligarchs, academics, government leaders and the military-industrial complex. These megalomaniacs have paved the road to another Holocaust. This time, the threat of genocide is global in scale.

This time, instead of Zyklon B gas, the weapons of mass destruction are genetically engineered injectable bioweapons masquerading as vaccines. This time, there will be no rescuers.”

**UNLESS  
ALL OF US RESIST:**

**“NEVER AGAIN”**

**IS NOW!!!**
