

FATIMA PRAYER – GROUP PRAYER

1. Read through the message of Our Lady loud or to yourselves:

"Do not be afraid,
I am from Heaven.
In your sufferings, God's grace always strengthens you.
Pray the rosary every day,
Because then you pray for World Peace,
And for the End of all Wars.
Let this prayer be Your sacrifice."

2. Then pray the prayers below:

"We pray now, Jesus, for Your love,
And for our protection emanating from the pure
Loving heart of the Mother of God.
We pray now for a happy, pure life without sins,
For world peace and for immediate cessation of all wars and strife,
For ourselves and for everyone.
Amen."

3. „Let us pray now the Rosary
At the request of the Mother of God.
Let our prayer be without ceasing.
We pray for ourselves, for our welfare and safety,
For our families, for one another, for our country, for the Earth,
For souls in peril that know not the love of God
And for the conversion of sinners.
We invoke our Guardian Angels and ask them to lead us
To safety during these perilous times.
Amen."
