

FATIMA PRAYER – INDIVIDUAL PRAYER

1. Read through the message of Our Lady loud or to yourself:

"Do not be afraid,
I am from Heaven.
In your sufferings, God's grace always strengthens you.
Pray the rosary every day,
Because then you pray for World Peace,
And for the End of all Wars.
Let this prayer be Your sacrifice."

2. Then pray the prayers below:

"I pray now, Jesus, for Your love,
And for my protection emanating from the pure
Loving heart of the Mother of God.
I pray now for a happy, pure life without sins,
For world peace and for immediate cessation of all wars and strife,
For myself and for everyone.
Amen."

3. „I pray now the Rosary at the request of the Mother of God.
Let my prayer be without ceasing.
I pray for myself, for my welfare and safety,
For my family, for my country, for the Earth,
For souls in peril that know not the love of God
And for the conversion of sinners.
I invoke and ask my Guardian Angel to lead me
To safety during these perilous times.
Amen."
