

INVOCATION OF HOSTS OF LIGHT

GROUP PRAYER

1.

“We now call on the powerful hosts of Light to establish a circle of perfect protection around us so that nothing but good can enter. Thank you.”

“Beloved Archangel Michael!

We ask you to cleanse the walls, spaces, objects, people and guests of this home from all negative emotions, negative energy, negative thoughts, curses, hexes, entities and everything that does not serve good.

Please fill us with love and surround us with protection!

Put angels in the doors and windows to protect us with love and to surround us with joy. Thank You.”

2.

“Beloved Jesus!

Your name is Light, Food, and Medicine.

It is Light, when we say it or when it is said to us.

It is Food, when we think upon it.

It is the Medicine that soothes our pains when we invoke it.

We now invoke you, Beloved Jesus.

Please, raise our vibrations so that we can experience your physical presence.

Take a seat among us.

Manifest in and around us your perfection of Love and Light.

Heal our bodies, minds and souls, heal every living being on Earth.

Heal our entire planet and the whole world.

Thank you.”

3.

“We now invoke your Golden Flame, Beloved Jesus,
And the Holy Trinity, the Source of All Creation.
Please, come out and radiate Thy Golden Flame in us and through us
So that it blesses every cell and tissue of our bodies
And all the powers of Nature that are serving us so beautifully!

Let us be a Blessing Presence so that anybody
Who only touches the edge of our auras
Can feel Thy Love, Thy Peace and Thy Perfection!
Through the Almighty I AM, the Presence of Blessing,
We bless everybody and everything.”

4.

“Beloved Archangel Michael,
May the guardian angels of your heavenly legions come to free everyone of us.
Purify, illuminate, and manifest the glory of the perfection of Light.

We now invoke You, Beloved Mighty and Powerful Archangel Michael to stand at our right-hand side.
Please grant us the strength, courage, integrity, and protection we need
To fulfil our purpose in this incarnation.
Please, use your sword to cut away any doubts and negativity.
Surround us with your protection, so that we may always work on the side of good.
Thank you for standing in this presence.
Amen.”

5.

“We now invoke the Mighty and Powerful Archangel Uriel to stand on our left-hand side.
Please release all our tensions, worries, and insecurities.
Grant us tranquillity and peace of mind.
Help us to serve others, and to give and receive generously.
Fill us with Light, open our hearts and fill them with Divine Light.
Help us to shine brighter and to rise above lower vibration of fear.
Help us to stand within our truth, and to stand within Divine Light and Love.
Let us shine our Light brighter to help raise the vibration of others.
Thank you for standing in this presence.
Amen.”

“We now invoke the Mighty and Powerful Archangel Raphael to stand in front of us.
Please fill us with wholeness, perfection and good health.
