Lt.Col. Allen West

“History is not there for you to like or dislike; it’s there for you to learn from.

And if it offends you, even better, because then you are less likely to repeat it.

It’s not yours to erase; it belongs to all of us.”

LOOKING FOR

The Truth ?!!!

FOR SOMETHING
IS NOT RIGHT!

I. NAIVETY OR IGNORANCE IN NEW ZEALAND

Are we really so naive here in New Zealand, or might we be kept in a deep ignorance?...

Can we still think for ourselves and use our common senses in this country?

Or do we just blindly follow all orders even the mad, illogical and unreasonable ones regardless if they hurt us and does us serious harm?

The majority of people in New Zealand but also throughout the world have by now really got fed up with all people-hostile governments and systems, with all their absurd and mean regulations, and profit hunting vaccines!

Have you noticed that common people are getting poorer and poorer worldwide while a handful of people getting disgustingly richer and richer?

Have you noticed that your relatives, acquaintances and friends have been sick more and more often during the past two years? Struck suddenly by cancer, by nerve injuries, allergies, autoimmune diseases, colds, flues, etc. Many people suffer from heart issues, heart stop or they just simply drop dead. It didn't happen so often before the covid vaccine!

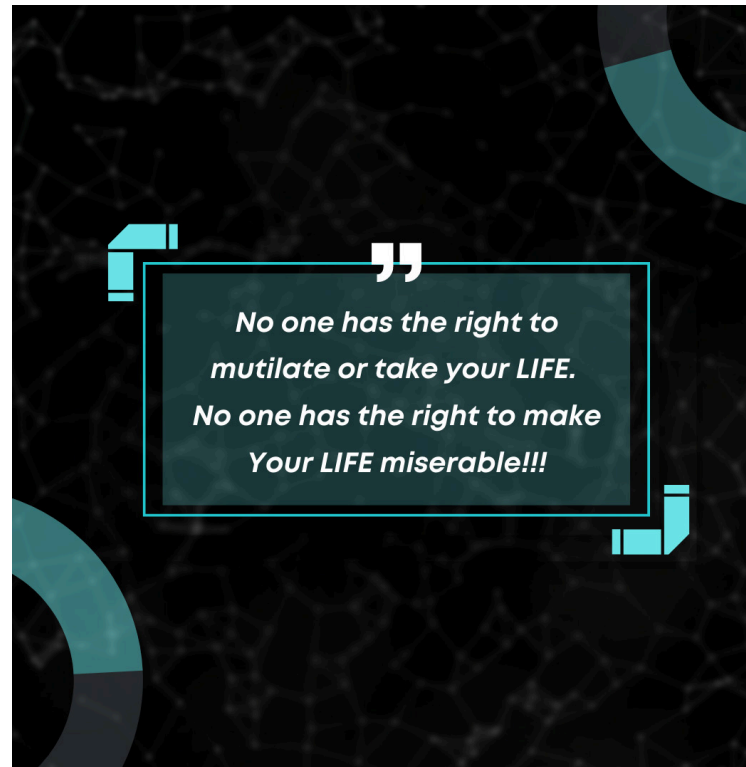

Have you noticed that they would like to jab you all the time, nowadays? With vaccines which are not helping against infections? They are not at all similar to the polio, measles or other vaccines. You get the sickness or flu or virus, whatever you call it, **regardless you are vaccinated or not**. Why do they force you then to take all those jabs? Why do they violate your human rights and rape your body?

As you can see, everyone should have doubts by now about all the countless variants of covid, and other viruses, and all vaccines!!! You don't seem to have the habitude of thinking if you are still not suspicious, at least a little.

And by the way, you should less and less believe in what you are reading or hearing from the news and the mainstream media. For those news and information are mainly lies, unfortunately, or in the best scenario, twisted.

A small group of individuals, who have constantly been parasiting on people since millennia, make

everyone's precious LIFE, yours and mine, intentionally hard and nearly unbearable. That **LIFE, which is exactly the same energy in each and every person!!!, and which equally belongs to every one of us! Our so precious LIFE is crippled or even taken by these parasites!**

Those few have always ripped off people, taking everything from them.

Those few have always harvested all the fruits of the hard work of people, giving back only the minimum or nothing.

And the politicians serve those parasites, even become one of them!!!

But! We, the people, don't need to give them anything.

We don't even need or want them to be here at all! They need us much more as we need them!

People don't want parasites anymore!!!

01

People don't want
tyranny and oppression

02

People don't want
wars

03

People don't want artificially created
shortages of food and basic
necessities

04

People don't want
pollution and poisons

05

People don't want
unaffordable homes

06

People don't want
poverty and homelessness

07

People don't want
scarcity!

**PEOPLE
DEMAND A
DECENT AND
ABUNDANT
LIFE FOR
EVERYONE!**

Away with the few psychopaths who always have been treating people very badly, making them suffer and taking their lives in countless and disgusting ways!

SYSTEM ALERT

Away with this rotten system at last!

Away with all existing rotten governments who don't do anything else just serve their own vicious goals and the pure evil.

IT IS ENOUGH!!!

**People want governments who serve people's well-being!
People want governments who are people -friendly!!!**

***Delete All Rotten
Governments!!!***

II. DID YOU KNOW ABOUT THE FOLLOWING?

(Do the evil forces really think that people cannot make associations in cases like this here below?)

Dr.Vladimir Zelenko was known for promoting hydroxychloroquine-based treatment of covid 19, a three-drug combination of hydroxychloroquine, zinc sulfate, and azithromycin as part of an experimental outpatient treatment for COVID-19 that the doctor discovered and created in the early days of 2020.

This is today known as **Z-Stack**, which **allowed the doctor to save thousands of lives**.

He was a Ukrainian-American family physician and author. Lately he talked about that he had been for a longer period on multiple “Pharma Assassination Lists” for speaking out against medical tyranny and the covid narrative. His big concern was the fake covid 19 vaccine and its horrific effects on people.

Now he is dead, born in 1973, (age 48 years)! **And he is not the first doctor or scientist who died because of this horrible creation of covid narrative!**

Dr. Vladimir Zelenko

III. HOW MUCH DO YOU TRUST PFIZER AND THEIR VACCINE?

Recently it was announced that the commonly used medicament ‘**Accuretic**’ for lowering the blood pressure, **marketed by Pfizer**, is withdrawn from the market because *it has been shown to be **carcinogenic!*** **Then as next step, what might be revealed about their vaccine? - you may wonder... So much can YOU trust Pfizer... that disgustingly profit- hunting corporation!**

In the UK they are having the 3rd wave of Covid, in spite of high vaccination rate. The same is happening in Israel. On the other hand, **Austria has just stopped all vaccine mandates!...**

The following scientific study is from France, which is open for everyone to read and get knowledge from:

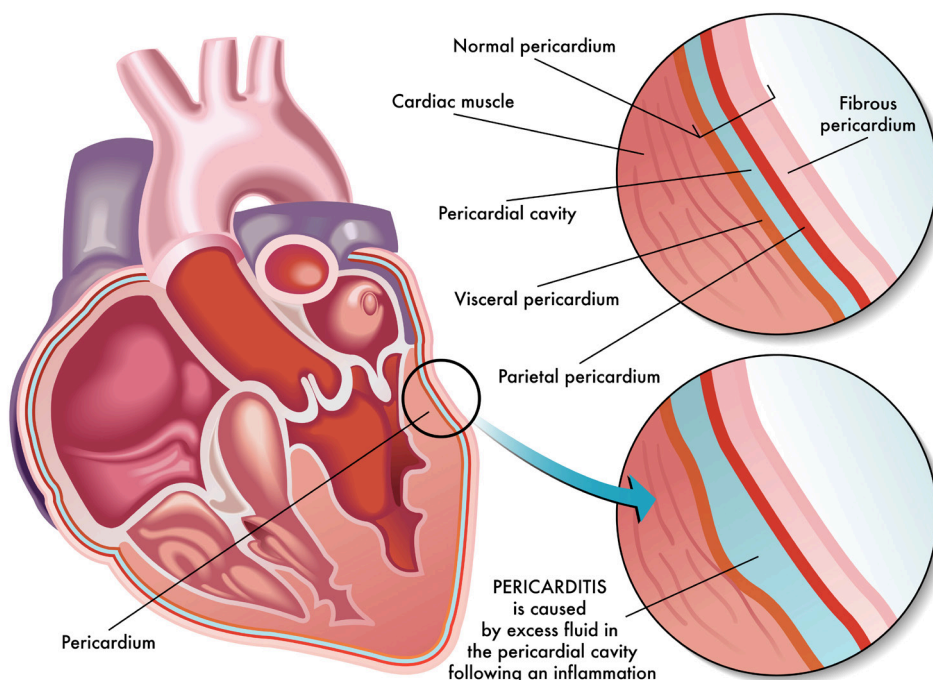

‘Age and sex-specific risks of myocarditis (inflammation of the heart muscle) and pericarditis (inflammation of the pericardium, heart sac) following Covid 19 messenger RNA vaccines’

– with article number 3633 (2022), Nature Communications 13; Scientific study made in France.

Authors: *Marion Bertrand, Stephanie Le Vu, Marie-Joelle Jabaqi, Jérémie Botton, Jérôme Drouin, Bérangère Baricault, Alain Weill, Rosemary Dray-Spira & Mahmoud Zureik;*

“Cases of myocarditis and pericarditis have been reported following the receipt of Covid – 19 mRNA vaccines. ...We conducted a matched case-control study within the entire French population between 12 and 50 years of age for myocarditis and pericarditis, treating each condition separately. *The study focused on the period from May 12, 2021 to October 31, 2021, during which the Covid-19 vaccination campaign was opened to individuals under 50 years of age...*

In conclusion, **this study provides strong evidence of an increased risk of myocarditis and of pericarditis in the week following vaccination against Covid-19 with mRNA vaccines in both males and females, in particular after the second dose of the mRNA-1273 vaccine.** Future studies based on an extended period of observation will allow to investigate the risk related to the booster dose of the vaccines and monitoring the long-term consequences of these post vaccination acute inflammations.”

IV. HOW MUCH DO YOU TRUST YOUR GOVERNMENT OR EDUCATION SYSTEM?

SO LET'S SEE WHAT THE SITUATION IN NEW ZEALAND IS with the leadership of the so "empathic" PM Jacinda Ardern who with megalomania visits nowadays the British royals and heads of foreign governments, etc., spending widely and wasting the tax payers money, while her own nation suffers from scarcity and from all consequences of her lockdowns.

She and her government have introduced, by the way, the ridiculous kindergarten colour system (still orange at the moment), which is not followed by any nation worldwide, to our best knowledge... You may wonder why...

1. STILL WEARING MASKS, EVEN SMALL CHILDREN HAVE TO DO IT!!! IS THERE ANY EMPATHY AND COMPASSION LEFT HERE?

Many Kiwis originating from European countries have begun to travel again to Europe. And guess what?! **No masks anywhere...** People in Europe don't hear that much about covid or other viruses, as we do here.

How come?

Here in NZ we are still tortured with these meaningless muzzles. Although the government and all the doctors preaching about this virus know very well that these are nothing else, just muzzles when it is about to stop spreading the virus!!! The masks have certainly some functions, but definitely not a protective one from the virus... **For those masks people in general wear don't protect anyone from the virus itself!!! Not from any virus, for that matter.** What they do is to prevent you to sneeze or spit on others, to 'spread' your droplets, your saliva around. But the mask does not protect you, nor your fellow citizens from any virus! **All other information is a big LIE!**

In spite of this fact, many 'diligent' and not really thinking NZ inhabitants, even teachers, (hopefully not all of them), wear these mask-muzzles, and even yell at others, at kids as well (!), when they complain that they feel unwell, dizzy, that they

cannot breathe properly, and some of them even faint because of these masks - muzzles!!! Maybe those teachers are simply put, ignorant, or they want to collect some reward points from authorities for good behaviour, or the like...oh, the poor ones, how disappointed they will be...

YOU WOULD THINK THAT TEACHERS ARE RESPONSIBLE FOR CHILDREN'S WELLBEING DURING SCHOOL TIME, BOTH AS A TEACHER AND AS AN ADULT. BUT ALSO AS A HUMAN BEING WITH EMPATHY AND COMPASSION!!!

Oh, but apparently, it's not the case here in NZ. *The PM shows, by the way, very clearly the example how to be cruel against others, she really sets a "good example" as we have seen it before...*

It is a well-known fact that we have quite low standard of education in this country compared to many European and other countries. Here, for example, we have **school holidays every now and then, too often for very lame causes**, to begin with. **Can lack of empathy and compassion be another reason for our low standard of education? And also the LACK OF TRUE AND LOVING DISCIPLINE** at schools?!! Where the children sit on the floor without any school benches to sit and work at?

NEW ZEALAND

Why can't we go and look at e.g. Finnish education methods? They are one of the best in the world.

Or is someone in our government, or maybe the whole government, afraid of having well-educated people in this country? For several reasons..?

Well, it's easier to control and rule over a bunch of ignorant sheep than well-educated ones... That is absolutely true.

*Our country has been inviting skilled people for several years now from abroad. But for what purpose? Can we use their skills and knowledge for the advantage of the country? No! Unfortunately not. We use them for taxi driving, cleaning, etc.. **Might it be that we don't even know any longer here what to do with skills and knowledge?***

Our government, and this is said with all respect, because of lack of empathy and compassion, or maybe, because of lack of adequate knowledge, or just because they are mean, are still torturing New Zealanders, including and especially school children with these torture devices-masks muzzles!!!

Many children suffer from scars or rash or both behind the ears caused by those meaningless things! And too many teachers follow without thinking and even exaggerate the pointless and harming rules about masks. They force students, (CHILDREN!!!) to wear masks during the whole long school day, even outdoors, during breaks and even in areas near to school. They yell at the children when those poor souls want to catch some fresh air, without removing entirely those dumb muzzles!!!

2. HOW CAN THE GOVERNMENT AND MANY TEACHERS HERE IN NZ BE SO CRUEL?

Would Jacinda Ardern put that muzzle on her child, all day long at school, if she were in that age? Would Jacinda Ardern just watch her suffering from not getting enough oxygen, without helping?

Well, anyhow, if she can watch so many Kiwi children suffering like this, then she must suffer herself from health issues, psychologically at least.

You probably know that lack of empathy, compassion and remorse is classified in the science of psychology as psychopathic disorder!!!

Where is the empathy, where is the compassion of this government? How can they stick to such cruel and dumb rules when other countries already have stopped those for a long time ago?

V. IT IS ALSO WORTH LOOKING AT THE MEDICAL INFORMATION MATERIAL FROM FDA?

(= U.S. Food and Drug Administration)

New research published in this May month, 2022:

*Long Covid affects more and more older adults; **AND SHOTS DON'T PREVENT IT!!!***

New U.S. research on long Covid – 19 provides fresh evidence that it can happen **even in vaccinated people**, and that older adults face higher risk for the long-term effects. **Coronavirus vaccines don't provide as much protection against long Covid as scientists had first hoped...** (Yahoo news, Natural Science)

This means that:

1. Everybody can get long covid, younger people as well, even if older people are more often affected. **AND IT DOESN'T MATTER IF YOU ARE VACCINATED OR NOT-VACCINATED!!!** Everybody need to understand it at last!

2. Scientists only hoped for things without sufficient research, but still let the entire world's population be vaccinated. Now it appears that their hopes are not being met...

You would think that scientist do serious research work and get their theories proved several times before they make something public. And that further research is needed before they begin to apply it for humans.

But in the case of this masse vaccination they had only hopes, instead of facts and serious research results. What were they actually hoping for? – About that, you don't even want to think...

VI. WHAT IS THE CAUSE OF THE SUDDEN RISE IN HEPATITIS IN YOUNG CHILDREN?

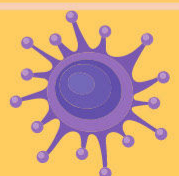

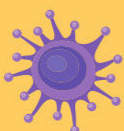

Is the sudden rise in Hepatitis in young children associated with the Pfizer vaccination for pushing to have more and more boosters? The claim is that half the children seem to have a Spring stomach flu - an adenovirus, type 41 virus.

But this is only half the cause. The news articles refuse to correlate the rash of Hepatitis cases with any vax data on the mother, or the percentage of these young kids who might be breast fed. ***An article that pointed to this data was quickly removed, replaced by a 503 server error!***

One of the causes of Hepatitis is an autoimmune reaction, which the Pfizer vaccine has been known to incite! Can a nursing mother pass the spike protein via nursing? This has been proven to be the case for antibodies and even the Hepatitis virus.

Consider that any older children developing Hepatitis have been exposed to shedding of the spike protein. ***Many autoimmune reactions such as Guillain-Barre syndrome occur when the body fights a normal flu or cold, and has been shown to occur as a result of the Pfizer vaccine.*** Thus the recent increase in Hepatitis during Spring cold and flu season is a double whammy, a dual cause.

VII. THE GLOBAL GLOBAL COVID SUMMIT

2022-05-11

The Global Covid Summit, comprising over 17,000 physicians and scientists, held a press conference on the 11th of May, 2022, highlighting the Summit's declaration to

"RESTORE SCIENTIFIC INTEGRITY."

Speakers include Dr Robert Malone, Dr Peter McCullough, Dr Ryan Cole, Harvey Risch, MD, PhD, Dr Lynn Fynn, Dr Mary Talley Bowden, Dr Richard Urso and more.

Here is
their statement
below:

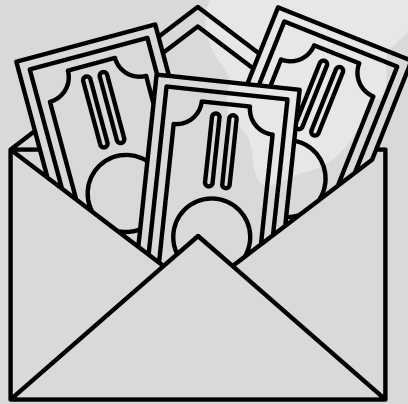

***“We, the physicians and medical scientists of the world, united through our LOYALTY TO THE HIPPOCRATIC OATH, recognize that the disastrous COVID-19 public health policies imposed on doctors and our patients are the culmination of a corrupt medical alliance of pharmaceutical, insurance, and healthcare institutions, along with the financial trusts which control them. They have infiltrated our medical system at every level, and are protected and supported by a parallel alliance of big tech, media, academics and government agencies who profited from this orchestrated catastrophe.*”**

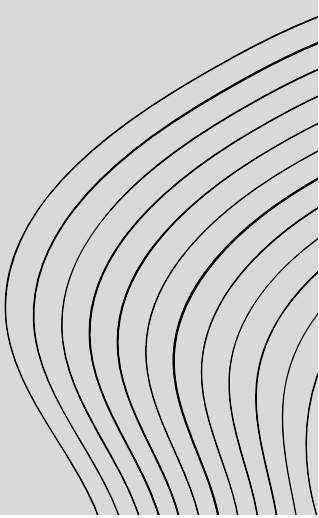

SAY NO

TO
CORRUPTION

This corrupt alliance has compromised the integrity of our most prestigious medical societies to which we belong, generating an illusion of scientific consensus **by substituting truth with propaganda**. This alliance continues to advance unscientific claims by censoring data, and intimidating and firing doctors and scientists for simply publishing actual clinical results or treating their patients with proven, life-saving medicine. **These catastrophic decisions came at the expense of the innocent, who are forced to suffer health damage and death caused by intentionally withholding critical and time-sensitive treatments, or as a result of coerced genetic therapy injections, which are neither safe nor effective.**

*The medical community has denied patients the fundamental human right to provide true informed consent for the experimental COVID-19 injections. Our patients are also blocked from obtaining the information necessary to understand risks and benefits of vaccines, and their alternatives, due to widespread censorship and propaganda spread by governments, public health officials and media. **Patients continue to be subjected to forced lock-downs which harm their health, careers and children's education, and damage social and family bonds critical to civil society.** This is not a coincidence. In the book entitled "COVID-19: The Great Reset", leadership of this alliance has clearly stated their intention is to leverage COVID-19 as an "opportunity" to reset our entire global society, culture, political structures, and economy.*

GLOBAL COVID SUMMIT

PHYSICIANS AND MEDICAL SCIENTISTS

*Our 17,000 Global COVID Summit physicians and medical scientists **represent a much larger, enlightened global medical community** who refuse to be compromised, and are united and willing to risk the wrath of the corrupt medical alliance to defend the health of their patients.*

The mission of the Global COVID Summit is to end this orchestrated crisis, which has been illegitimately imposed on the world, and to formally declare that the actions of this corrupt alliance constitute nothing less than crimes against humanity. **We must restore the people's trust in medicine**, which begins with free and open dialogue between physicians and medical scientists. **We must restore medical rights and patient autonomy.** This includes the foundational principle of the sacred doctor-patient relationship. The social need for this is decades overdue, and therefore, we the physicians of the world are compelled to take action.

After two years of scientific research, millions of patients treated, hundreds of clinical trials performed and scientific data shared, we have demonstrated and documented our success in understanding and combating COVID-19. In considering the risks versus benefits of major policy decisions, our Global COVID Summit of 17,000 physicians and medical scientists from all over the world have reached consensus on the following foundational principles:

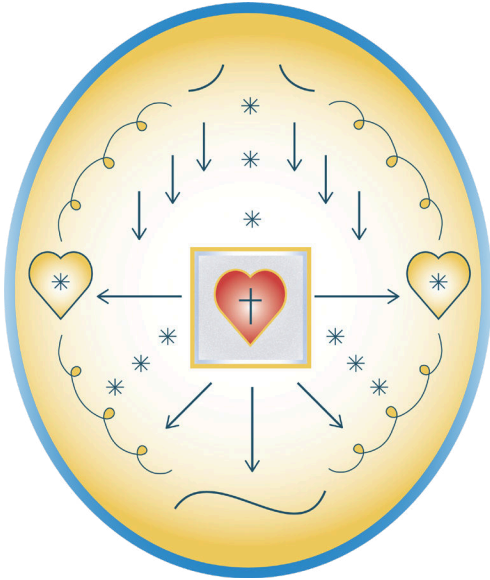

- **“We declare and the data confirm that the COVID-19 experimental genetic therapy injections must end.**
- **We declare doctors should not be blocked from providing life-saving medical treatment.**
- **We declare the state of national emergency, which facilitates corruption and extends the pandemic, should be immediately terminated.**
- **We declare medical privacy should never again be violated, and all travel and social restrictions must cease.**
- **We declare masks are not and have never been effective protection against an airborne respiratory virus in the community setting.**
- **We declare funding and research must be established for vaccination damage, death and suffering.**
- **We declare no opportunity should be denied, including education, career, military service or medical treatment, over unwillingness to take an injection.**
- **We declare that first amendment violations and medical censorship by government, technology and media companies should cease, and the Bill of Rights be upheld.**
- **We declare that Pfizer, Moderna, BioNTech, Janssen, Astra Zeneca, and their enablers, withheld and wilfully omitted safety and effectiveness information from patients and physicians, and should be immediately indicted for fraud.**
- **We declare government and medical agencies must be held accountable.”**

Monthly Herbarium

CLOVER, RED CLOVER

Clover (*Trifolium repens*); Red Clover (*Trifolium pratense*)

Clover, especially red clover is foraged for both its medicinal and edible properties. This plant is filled with antioxidants, vitamins, and minerals that can also help boost the immune system and reduce inflammation. **It helps to cure bronchitis, cold and flu.**

Clover and red clover have been used for hundreds of years basically around the globe and also by Native Americans, to treat and prevent a whole host of common ailments and conditions.

According to folk medicine uses of Clover/Red Clover:

- Immune system booster
- Premature aging fighter
- Fever reduction
- Arthritis
- Menopause
- Gout
- Bronchitis
- PMS
- Asthma
- General cold and flu symptoms

Monthly Recipe

Clove / Red Clove Tea

Ingredients

- 1 tbsp (tablespoon) dried or fresh red clover flower or leaves or both (you can use common clover as well)
- 1 tsp (teaspoon) honey or to taste
- ½ tsp cinnamon, lemon, or mint or all other additives to taste (optional)
- 1 cup (2½ – 3 dl) water

Method

1. Wash the clover or red clover flower heads and leaves (if using them too).
2. Bring the water to a rolling boil. Carefully toss in the red clover flower heads.
3. Steep for about 10 to 15 minutes.
4. Strain and pour the hot liquid in a tea mug.
5. Stir in honey and any other chosen additives.
6. Drink in small sips while still warm.

Monthly Joke
