

**Becoming One with the Divine Energy,
the Almighty God Father of the Universe and Jesus**

DEOIES UNITES [dεοιες unitεs]

The symbol helps and speeds up the process of our becoming one with the Almighty God Father and the Son, Jesus, of our becoming one with the Divine Energy. The use of the symbol radically changes our lives, while our priorities are significantly transformed. We realize the real value of life, which is nothing more than rejoining God in light and love. The symbol promotes the development of the virtue of honesty at the highest level towards ourselves, our environment and the whole world. It brings the role and function of our ego to a healthy and optimal level. It perfects our ability to love and enhances the strengthening of our Christ-Self. It allows us to be aware of, to feel and experience our God-given light that resides in our hearts. It ensures the ever stronger spreading of this light throughout our body, as well as its outflow from there into the world around us.
