

Modesty, Moderation, Flexibility

PILEZIS [p I L E Z I S]

This symbol creates harmonic, sober discernment. It facilitates seeing reality cleanly, seeing yourself realistically, as no more and no less than you truly are. See yourself as equal with others and others as equal with yourself. This symbol also teaches moderation in all areas of life. Additionally, it will create flexibility within you, which is so important in life. It will create joyful obedience within you in response to the summons of Life, your Higher Self and Your Light Helpers. In doing so, the symbol harmonises your attitude, and creates effortless, pleasant, elegant, and loving behaviours in your physical reality. This leads you towards perfect balance, happiness, and a contented life.
