And I am one with them.
I seek to love, not hate.
I seek to serve, not to demand service.
I seek to heal, not hurt.

Let pain bring due reward of light and love.
Let the Soul control the outer form,
And life and all events,
And bring to light the love which is hidden
In all happenings of time.

Let vision come and insight.
Let the future stand revealed.
Let inner union be realized and
Outer cleavages be gone.
Let love prevail.
Let love permeate all humanity.

So Be It. Amen.

XII. PRAYER FOR HEALTH

In the name of the Beloved Jesus and His Golden Light, May the Energy of Light and Love, the blessing of God, come upon me and all my fellow humans [and XY... (for whom we pray separately)]. I am peaceful, balanced, poised and calm. May my spiritual peace and love radiate to my loved ones and all my fellow humans. I wish health and prosperity, and a blessed life to myself and to everyone else. Every cell in the human body is a creation of God and through Him, it functions perfectly. The Creator knows all processes and functions of life in me; his wonderful healing power permeates my organs, making them whole and healthy. May the healing power of the Creator now permeate the organs of my fellow humans, all their organ functions and body systems, make them whole and healthy. Let us all have a wonderful and happy present and future. We are the children of the Source of All Creation, God, the Energy of Light and Love. We are able of our free will to feel good, to want and choose love; act and respond with love. From this moment on, I choose harmony, health, peace, abundance, divine righteousness, happiness, and love. I am aware that these thoughts are like the sown seeds in which the program of development lies. Likewise my subconscious knows how to bring the sown seeds to life. I am aware that my thoughts, beliefs, feelings, and words make up my destiny and I will act and live with that knowledge in mind.

God is healing me now and keeping me healthy.

Now, in the name of Jesus, I ask all my fellow humans to choose, from this moment on, harmony, health, peace, abundance, divine righteousness, happiness, and love. Let them be aware that these thoughts are like the sown seeds in which the program of development lies. Likewise, let their subconscious minds know how to bring the sown seeds of thought to life.

Now God is healing my fellow humans and keeping them healthy.

I ask God to give perfect health to every single person.

Let people be aware that their thoughts, beliefs, feelings and words make up their destiny and let them act accordingly. May Light, Love, Wisdom and Power be with us at all times. God bless us all. Amen.

XIII. PRAYER FOR HEALING

Prayer to the Father for physical and spiritual healing during 9 consecutive days, according to the Italian monk, Brother Pio.

God Father, I am thinking of you now and always. I believe and know that you are the Source of Love, Wisdom and Knowledge. I believe and know that it is you who keeps me alive and works in my life, together with your Holy Angels. I am grateful to you for all good things and experiences in my life. I believe that the power of your love will transform all the bad thoughts and emotions into good ones.

Father! I'm listening to you so that I can contact you. Your Son, Jesus Christ, said in the ancient Scriptures, "Before you pray, forgive everyone you are angry with." (Mk. 11:25). Therefore, with your help and of my own free will, I forgive now myself for all my mistakes. With your help and of my own free will I forgive everyone, from the bottom of my heart, who approached me with malicious intent. I search for ways to improve myself so that I can clearly see what I have to do.

I believe that "we live and act in you" (Acts 17: 24-28), your abode is in me, but I can remove myself from You through my wrong decisions! Please, send Archangel Michael to protect me in my struggles! Let me receive protection against the deceptions of the Deceiver. Father, give command to these evil spirits who walk around the Earth to destroy man. Use your strength to push them back to the world they have come from. Father! According to the Scriptures, Your Son Jesus Christ said, "Ask and receive" (Matt. 7: 7) "Whatever you ask from the Father in my name, He gives it to you" (Jn 15:16).

Therefore, in His name, please,

- Send me the Holy Spirit so that I can receive the gift of discernment of knowledge, spirits and wisdom. So that through your gifts I can love, be fair and faithful. Let peace, joy, gentleness and goodness reside in me!

- Send me the Holy Spirit so that I can receive the gift of faith. So that I can believe that my inner spiritual injuries have already been healed by the wounds of Jesus and that I am healthy and alive! Therefore, I now declare by faith that through the healing sacrifice of Jesus, all impurity in my body is gone, and my organs and limbs are intact and healthy! My whole body and being is intact and healthy.

God Father, I rejoice that thy kingdom is in us, your holy name is before our eyes, your will is law for us. You always take care of all our hardships in our lives and you forgive us for our mistakes as we forgive others. Your hand leads us through temptations, and you take away the evil yoke from us! All power and salvation of the world are Yours, from eternity and forever!

I am grateful to You, Father, for listening and "keeping my heart and mind in Jesus Christ" (Phil.4: 6). Pour your far-reaching blessings upon me and all that I ask from you. I believe the plan you have designed for me will always be to my advantage. Please make the hope stronger in me so that I know that it is all a matter of foresight and time.

And now I present to You my fellow humans for whom we are now praying. On their behalf, please.

- Send them the Holy Spirit so that they can receive the gift of discernment of knowledge, spirits and wisdom. So that they can love, be fair and faithful through your gifts! Let peace, joy, gentleness and goodness reside in them!

- Send them the Holy Spirit so that they can receive the gift of faith. So that they can believe that their inner spiritual injuries have already been healed by the wounds of Jesus and are therefore healthy and alive! Therefore, we now declare by faith that through the healing sacrifice of Jesus, all impurity in the bodies of our fellow men has been removed, and their organs and limbs are intact and healthy! Their whole body and being are intact and healthy!

God Father, we rejoice that thy kingdom is in us, your holy name is before our eyes, your will is law for us. You always take care of all our hardships in our lives and you forgive us for our mistakes as we forgive others. Your hand leads us through temptations, and you take away the evil yoke from us! All power and salvation of the world are Yours, from eternity and forever!

I am grateful to You, Father, for listening and for “preserving my heart and mind in Jesus Christ” (Phil. 4: 6). Pour your far-reaching blessings upon my fellow humans and all that they ask from you. Let them believe that the plan you have designed for them will always be to their advantage. Please make the hope stronger in them so that they know that it is all a matter of foresight and time.

[And now I present to You (...the first name of the person or persons to be healed) for whom I am now praying. In their names, please,

- Send them (...the first name/s of the person/s to be healed) the Holy Spirit so that they can receive the gift of discernment of knowledge, spirits and wisdom. So that they can love, be fair and faithful through your gifts! Let peace, joy, gentleness and goodness reside in them!

So that they can believe that their inner spiritual injuries have already been healed by the wounds of Jesus and are therefore healthy and alive! XIV. HEALING PRAYER OF THE GOD FATHER

Father, in the name of Jesus, I speak now the word of healing. We all might have been traumatised and hurt in our hearts and bodies.

Father, in the name of Jesus, I ask you to remove all traumas from our hearts, lungs, and from the whole chest area. Remove all traumas from our necks and the whole spine; command all of that to go. Command all the pain to go, command all the cellular memory of it to go.

Father, in your name I speak now the words of freedom to any damage that has been caused to us by stress throughout our lives in our body, liver and digestive system. I speak the words of complete health, wholeness and resurrection to those of our body parts that have given up functioning properly, in particular the kidneys which might have chosen to go towards dysfunction.

Father, in your name and to your glory, with the help of Jesus, I speak now resurrection and life to the kidneys, livers, hearts, physical and energetic hearts, and to our whole being so that we can ascend, to be revitalized and renewed.

Glory to God. So be it.

In the name of Beloved Jesus, I ask You, Almighty God Father that your blessed energy, the power of Cosmic Light and Love shall now heal the chakra- and light points of every human so that the Light can pass through them and heal them. Let the DNA of all humans be healed and function correctly. Wipe out completely all forms of death; erase even the concept of death from our planet now and forever. Amen.

In the name of Beloved Jesus, I ask You, Almighty God Father that your blessed energy, the power of Cosmic Light and Love shall now cleanse all sham religions and cults, bigotry and superstition. For they have cost the lives of millions of people and have blocked the development of consciousness and science. Let all of us find the true connection to the Existence, to the Cosmic Central Consciousness, that is to the Source of All Creation. Amen.

In the name of Beloved Jesus, I ask You, Almighty God Father that your blessed energy, the power of Cosmic Light and Love shall now cleanse the planet Earth from all ignorance, all madness, all arrogance and nescience. Let everybody be able to heal all their blockades and unhealed karmic issues. Let everybody have a higher consciousness and universal knowledge. Let us all be open for the energies of the Existence. Let us all see the Light. Let us all activate Love in our hearts. For Love energy is the energy of the Existence, the Cosmic Central Consciousness, the Source of All Creation.

Love is the Key and the Solution for everything.”
