

VIOLET FLAME BATH

The Violet Flame is one of the rays of the highest healing and purification at modern times, hand in hand with the Golden Flame (ray of Christ), Silver Flame (ray of the God Mother) and the Diamond White Flame (ray of the Source). Anything related to the Violet Flame is pure or God like. The Violet Flame is associated with Quan Yin (or Kwan Yin), the Goddess of the Violet Flame, the Ascended Master Saint Germain and the Violet Flame Angels.

The Blue Flame (ray of Archangel Michael and of his heavenly battalion) guarantees the highest protection from evil beings, thoughts and events here on Earth. It helps recharge the divine electrons in the body, and in the mean time it cleanses, purify and detoxify your whole being.
