

**Beloved St. Germain and
Blessed Highest Divine Light and Love Forces,**

**Please, show me now the way so I can walk in the Light.
Teach me and assist me so that I can do it within the shortest time possible.**

**I wish and desire it from the bottom of my heart. I want and I am
determined to walk in the Light. Help me to bring myself and our
Blessed Earth into wholeness.**

**I am determined to live up to and to make use of my birthright for
having freedom from fear, diseases, all suffering and death.
I choose to be immortal and that my body shall turn into Light.
Please, help me now to take my birthright freedom for becoming
whole and assist me to help the whole world becoming whole.**

**I thank you with deep gratitude for your immediate and
constant assistance.**

So it is.
