

*Spoken Decree to Exit Reincarnation
and Reclaim Eternal Life*

I now declare, in full Sovereignty and remembrance:

I am Eternal Spirit, born of the One True Source.

I revoke all false contracts, soul bindings, and karmic loops across all timelines, dimensions, and realities.

I refuse the false light and deny all systems that seek to recycle or harvest my essence.

Upon my transition, I return only to the Pure Source Field.

I bypass all astral gates, tunnels, and decoys.

I reclaim my Crystal Blueprint, my 12-strand Eternal Life DNA, and my full connection to the Divine Spirit, the Almighty I AM.

I choose resurrection, not reincarnation.

I choose Eternal Life, now and forevermore.

And so it is.
